

## We are seeking additional board members to help lead our organization!

### WHO WE ARE

Caritas Vocal Ensemble is a non-profit group of choral singers with a mission.

Caritas performed its first season in the spring of 2002 with the express purpose of raising money and awareness for people in need. Eighty-five percent of the proceeds from the group's concerts are given to other non-profits to help fund their provision of basic human services. Since its inception, the group has raised over \$180,000 for diverse, local charitable organizations.

In return for their donation or admission price, Caritas' audiences are treated to a concert of delightful a cappella choral music performed by a mixed group of experienced singers. Sacred and secular, traditional, contemporary and culturally diverse, we have something for everyone! The musical selections are performed by musicians with a passion for singing coupled with a desire to make a difference in the world.

You can learn more about the group at our website: <http://www.caritasvocalensemble.org/>

### WHO YOU ARE

If you are interested in supporting and leading this fantastic organization, we would love to hear from you. Do you need to be a singer or a musician? Absolutely not! In fact, we are looking to diversify our board to include people who have skills, talents and backgrounds that are different, because it makes us stronger and able to provide more relevant, solid leadership for our organization.
